Night of Prayer - October 28

Join us on October 28 at 6:30pm for an important evening of prayer at Grace. Please ask your Community Group to join us as we humbly and boldly approach God in prayer. These nights are always so good, and they're the chief way we want to pursue growth, health, and joy together as a church. Childcare is available for those three and under.

EQUIP WITH TRUTH

Read Galatians 4:19-20

There are three tools God uses to grow us spiritually. **Does anyone remember them?**

- 1) Mentors who train us.

Who would you consider your spiritual mentor? Or, who discipled you?

What was the most helpful thing you remember from this relationship?

Why do you think more people don't have a mentors or discipling relationships?

Take a moment to pray for 1) someone who will mentor you, and 2) someone you can mentor.

- 2) Community to shape us.

Read Hebrews 10:23-25

What does this passage remind us to be doing with and for each other?

Everyone has their opinion about the types of groups of which people belong. However, this text reminds us of what our Christian community groups should always be committed to. [Ask], ***Well, how's our group doing with this? How can we do this more effectively?***

- 3) Trials to purify us.

2 Corinthians 12:7b-10

Why and how do trials help us to grow? (Here's a passage the might help. [James 1:2-4](#))

Is there anyone tonight going through something difficult they'd be willing to share about and let us help with or pray for?

It is likely someone in your group is going through a trial right now. Make time for prayer and opportunity for someone to share what they are currently going through.

Pray

Spend time praying *for each other*. Pray that God would help you remove the obstacles and give the grace to grow in humility and joy in the gospel.

ENGAGE OTHERS

Pray for Here

Pray for the needs right here in our community and throughout Central Texas.

Pray for There

Pray for the country (Myanmar) and church (Fellowship Bible Church, Waco) we mentioned on Sunday.

An Important Prayer Need from One of Our Missionaries

“The landlord of the building where we currently host school and training for girls and women has decided they don’t want us here anymore. If we can’t find another building in the area, we may be forced to close the school. This would be terrible for our work. Pray that we can find another building quickly.”

VISION

Challenge your group to invite others to next week’s group meeting and to Sunday morning worship.
